The Sisters of St. Thomas Aquinas

invite you to the

Fifth Annual Bosco Family Camp

August 21-26, 2013

The upcoming month of August marks the fifth annual Bosco Family Camp. Since 2009, traditional Catholic families from around the country have traveled to the scenic Tennessee Mountains every August for a relaxing week of outdoor fun and recreation. Outdoor sports, relay races, track events, swimming, bonfires, homemade food ... Nothing is missing for a perfect vacation. Families enjoy a fun and relaxing week, while creating lasting memories with other families of the same background.

The camp is held at Fall Creek Falls State Park, located in Pikeville, Tennessee. Nestled in the rugged Cumberland Plateau, the park is rated one of the most spectacular scenic and outdoor recreation areas in the southeastern United States. It consists of more than 25,000 acres of hardwood timber forests, cascades, gorges, waterfalls, and streams. While Fall Creek Falls, at 256 feet, is the highest waterfall in the eastern United States, other notable waterfalls in the park include Piney and Cane Creek Falls and Cane Creek Cascades. The Bosco camp rents out a private group camping area far within the quiet and remote forests of the park. The camp consists of family-sized cabins centered about the chapel where daily Mass is offered and a cafeteria where meals are prepared and served. The facilities are equipped with hot running water and electricity. The park offers easy access to a nearby convenience store, gift shop, and laundromat. All these features serve to make the camp life easy and pleasant. The camping grounds also provide for numerous on-site activities: baseball, basketball, volleyball, hiking, canoeing, etc. In addition, the surrounding area of the state park offers other outdoor attractions: golfing, boating, and even horse riding, giving families an opportunity to leave the camp if they wish to enjoy additional sightseeing.

We look forward to seeing you in Tennessee for this coming camp.

Angelica - Spring 2013

The Sisters of St. Thomas Aquinas

Please visit www.sistersofaquinas.org for reservations and additional information.

Hurry! Registrations are due by July 1st!

A postulant arranges flowers for Our Lady's altar.

May,

*the month of the
Blessed Virgin Mary*

*Both the students and the Sisters renew their
devotion to our holy Mother in May by
setting up a special altar
dedicated to her and visiting it throughout
the month.*

As the academic year comes to a close, teachers at both of our schools are finishing their courses. In addition to the usual core subjects, the students study music and public speaking. Concerts and public speaking contests are held several times during the year to give the students an opportunity to practice what they have learned.
